ABOUT DISCOVERY GREEN

Discovery Green is a highly acclaimed 12-acre park created by a public-private partnership between the City of Houston and the non-profit Discovery Green Conservancy in downtown Houston. Since opening in April 2008, the park has welcomed more than 12 million visitors. The Discovery Green Conservancy works with hundreds of programming partners to present more than 700 art, music, educational, fun and healthy events each year, most of which are presented free to the public. As a non-profit organization, the Conservancy raises all the funds needed for the programming that Houstonians enjoy. For more information, please visit www.discoverygreen.com.
